II. Body of Affidavit:

Medicare & Medicaid Fraud:

In 2007 – I found myself in Marietta, Georgia – around a large Latino (mostly Brazilian community). Where Doctors, and assistance to Doctors – operated a Medicare, Medicaid scam.

They openly discussed the scam around me – at a Café – Minas Emporium – 2555 Delk Road, Marietta, Georgia.

They did not know I spoke fluent Portuguese. Note: These were Doctors.

They spoke about performing fake surgeries – where the patient would be cut open – and a scar would be created on the body, so the surgery would appear to be legitimate – but no surgery would be performed.

The doctors would file claims – and pay the patients a small amount of money.

Influence – power – manipulation – would be used to coerce legal immigrants and illegal immigrants, and children of illegal immigrants – to allow the Doctors to perform these fake surgeries.

These operations – per their conversations – is common in the Boston, Massachusetts area – Atlanta, Georgia area – by the Brazilian Doctors in those respected communities.

Possibly other areas – where immigrant Doctors practice medicine. As in: California, Arizona, New Mexico.

But, Boston and Atlanta – were the specific areas where these doctors spoke about their illicit operations.

Illicit Medical Procedures at Homes (for illegals):

And I know – for a fact – immigrant dentists operate illegal surgeries and all other forms of illicit practices – in their homes – in the Atlanta area. I saw this with my own eyes. I have been treated by an immigrant dentist – at his home – in the Roswell area of Atlanta, in 2008.

Look for Dental and Medical Doctor Assistances – that are immigrants – that have Doctorates in foreign countries. Go through medical records to see if the offices they work at, orders excessive supplies. Stakeout the Assistance's home – see if many different Latinos (from different countries) frequent their apartment.

These locations are easy to identify.

It is mostly done in apartments – to hide the many cars and individuals that frequent these locations.

Note: The Mexican Mafia – identifies these foreign Licensed Doctors and Dentists – when they arrive in the USA, and force them to perform operations, and medical procedures. Many don't have a choice.

Note: I would identify a remorseful individual – who admits he was forced to do these operations: And give them immunity if they identify others that perform these operations.

Fake Shell Corporations & Money Laundering – by Illegal Immigrants

Illegal immigrants have found many loopholes to cheat and steal, from the US.

A common illegal operation is creating a DBA at a State Office. Then, run the company as a 1099 Contract labor operation.

This bypasses many checks, verifications, rules and laws.

I have seen this – and identified many that operate this scam. All of them ran the illegal operation – launder money back to their country of origin, then, when the IRS got close to them – they fly home.

This is another reason illegals should not be allowed to create Corporations in the USA.

Mexican Mafia Associated Gang Members & Jail Guards Smuggle Drugs into USA Jails – with the Objective of Corrupting Our Institutions:

While I was in Williamson County Jail – 2 inmates (admitted associated of the Mexican Mafia) openly admitted they smuggled drugs into jails.

While discussing a failed attempt to get me drugged and raped with fentanyl – a Trustee told another inmate that “I have to smuggle drugs into jail, on my own.”

Another inmate – also associated with the Mexican Mafia – who was a Trustee – admitted he was the individual that smuggle the Fentanyl into the jail – and gave it to a jail guard – to drug me.

All the drugs being smuggled into our jails is provided by the Mexican Mafia (the Mexican Government’s representatives in the USA). The drugs get smuggled into our jail systems, either by the Mexican Mafia (about 80%) and the rest – for the most part – by the Aryan Brotherhood, where there are few Mexican Mafia gang members – and to a lesser extent – other gangs.

III. Additional Request for Relief:

I, hereby request for additional relief a Legal Provision – for Law Enforcement: A Ticket, or Citation (of a fine, of \$500, per incident) for employing, contracting – paying for labor – any illegal immigrant: someone who has either overstayed their Visa, or entered the country illegally.
