II. Body of Affidavit: “Cocaine Politics”

“Cocaine Politics” took over all of Latin America. It has forced all citizens into “criminal status” – making everyone live in a constant state of fear. Just the act of work – to feed you and your family, is – in fact a, “crime.” No one in society can survive without committing criminal acts. The majority of home are in fact crimes, as families are forced to encroach on unowned land, and build without permits (just to have a place to live), because costs are artificially – too high.

All taxes – Federal, State and Municipal, are beyond financial means, for any business to pay, thus survive – they must refuse to pay – therefore exist without registration – in a clandestine state of operation. All manufacturing is done in homes – even when the company is registered and owns a warehouse. This is done to hide the many workers it takes to create something (anything) – shoes, shirts, pants. All textiles are done in this way. The taxes that exist – in forms of “Workman’s Compensation” “Guarantees” “Unemployment Benefits” are too high – especially when compounded with the endless taxes just to operate the business.

Example: for every dollar paid to an employee – 1 dollar must be paid to government.

Thus, people work “Illegally” – thus there is no law for these individuals. They are subhuman – by design. They work for \$200 per month – many less than that. They are expected to practice sexual acts for their bosses. They are indentured servants and or – slaves.

And “Slavery” in its classic form is also very common. Where men and women are whipped, for any number of grievances, and or disobedience. Mutilation of children – the children of the indentured servant and slaves is very common also.

“Cocaine Politics” began (here in the USA) when the FDA (controlled by the Secret Society – the Masons) – outlawed “Coca” which is just dried plant leaves, ground-up into a powder. It is non-addictive. It cleanses blood – anti-cancer – diuretic – you lose weight, and it’s all natural.

Coca’s natural qualities – and health benefits have been known throughout the world since the Guarani native American tribe introduced it to Europeans, almost 500 years ago. All miners forced to enter the Potosi Mines, in the upper Andes (where Bolivia is today) was forced to ingest the powder, to keep the miners alive, to live longer, and increase productivity. Note: It is theorized that if the coal miners in Pennsylvania and West Virginia ingested “Coca” in large amounts, none of them would have developed “Black Lung.”

So, now – since the 1960s – “Coca” is illegal, in the USA. Especially after businessmen realized the great potentials of “Big Government” and “Big Pharma.”

Note: Much of our pharmaceutical industry wouldn’t exist if “coca” was legal.

Thus, the FDA – with their special association with The World’s Elite – made a “Run on Sugar” spiking Sugar Prices globally, and introduced the very toxic, “High Fructose Corn Syrup” which is a “High Starch” substitute sweetener. This sugar substitute, because of the large amount of starch, makes the body retain fat, especially in humans that do not have a history of ingesting large amounts of starch (Africans).

As a whole – Americans – our population – is made sick, overweight – by those whose responsibility it was to make us healthy – Big Government and Big Pharma.

In comes the remedy: Europe’s weaponized version of “Coca,” “Cocaine” a powder substance, that it’s theorized is – and stated – similar to the refined form of “Coca” that was initially used in Coca Cola – but it

isn't. It's far more toxic – and since it's illegal – many things are done to it (added) to it, during the "Cutting" process, by Mexican gangs – so the drug will perform any number of functions on those whom abuse it. Erode the nasal cavity, destroy organs – just to name a few. And – now – Big Government – has justified the reason "coca" was thus made illegal. Which is – and always was – a lie.

Now, our politicians are introduced to the "Cocaine" version – some judges – lawyers – power brokers – big business moguls – individuals with a great deal of power – and they lose weight – and stay healthy – and their cholesterol is lowered – and they realize the many health benefits. They are not dummies – it doesn't take long for these individuals to realize The Secret – cocaine isn't a recreational drug – it's a pharmaceutical. But, there's always the unlucky – whom didn't understand what was going on – and didn't follow directions. A politician – a businessman...Thus, they are given a toxic dose of cocaine – and a kidney (for example) – an organ stops working. They need a transplant.

Throughout all of Latin America – all of the adults know – the millions at the bottom of society – the tens of millions of homeless exist for a reason. And movies are made about the upper-reaches of society abducting these teens for harvesting of organs.

In American, we are – just now seeing the beginnings of mass poverty – because of "Cocaine Politics." This is all planned. This is all known. There is a reason and purpose for all that's going on. The more Latin Americans that are allowed to enter this country – legally and illegally – and the more we call *them* "Americans" without adopting our culture – the more their culture of mass corruption and separation of "Human Social Classes" and the reverse of "All men are created equal..." exists in this country. The more homelessness there is.

Note: These individuals that are here (that come from Latin America, and India, China...) they do not believe, nor want equality. They believe in the division of "Class" and will endeavor through crime, to create *it*. And that – is the reason and purpose of "Cocaine Politics," and why they are allowed to enter our nation.

And – Healthcare – has become a tool – but the many that know – the truth – that "Coca" thus, "Cocaine" keeps you healthy – is cheating the entire system (altogether).

Note: There was a reason – Coca Cola (the soda) was named after a leaf, from another continent. "Coca" was imported from Bolivia – and thus became the most popular soft drink in the world. Haven't you seen pictures of Americans on the beach from the 60s back – then now?

Question: Are you really that stupid as to believe – you cannot talk about "This Subject" and you must leave, "Your Health" to those that make a profit from you being sick?

The World's "Elite"

Corrupting and selling out this country (the USA) is a profitable business – especially after the advent of winning two World Wars – and the enormous clout (power, responsibilities) that was bestowed upon our shoulders.

Everywhere we turn – every movement – maneuver – deal – law – is a sell-out. Our politicians, law makers, everything of value – all of our social habits, institutions, and traditions that were meant to make us strong – is lost.

WESTERN DISTRICT OF TEXAS

Example:

Timeline of recent – large sell-out. I can go into detail about (one of the biggest – most recent) traitors in American history – Dick Cheney – but I won’t here. I will only give a brief history (over the passed 2 and a half years).

1: I created a little chaos in the judicial and penal systems, through various means, filing Federal lawsuits, yelling at judges, going along with a conspiracy to get me arrested – telling truths – getting myself thrown in jail.

2: The mass-control that exists (but goes against our Constitution) deemed it necessary for their (normal – typical) Mass-retaliation tactic – to teach “those in power” and me, a lesson – which would be “Known” as my fault, for not falling “In-line” and being what everyone is and supposed to be (cattle for the slaughter – a robot that doesn’t ask questions).

3: Dick Cheney made the mistake of tipping off (approximately 1 month prior) what would happen – and why: The judicial and penal systems – in Texas – thus, “what I was doing,” would be to blame.

Note: The school shooting in Uvalde, Texas, by Salvador Ramos, was supposed to be identified as being a celebrity’s “Fault” – mass-retaliation for his refusal to follow their “Norms.”

4: I waited 2 weeks for the orders to go-out – and everything to follow normal procedure – then on August 20th, I notified those whom I thought would be targeted: Atlanta PD – was 1 of 6 possible targets (I believed), and one of the most likely. All (possible targets) I thought – would be historically African American communities. I provided a profile (of the possible shooter). And later on, I provided one means (maybe – how) he could be fed subliminal commands (through subconscious fear – trained spatial awareness – using a keyboard).

5: 2 weeks after I notified Atlanta PD, on Sept 4th, 2024 there was a school shooting in Windor, Georgia at Appachee High School – within the Atlanta metropolitan area.

6: I waited over a year – for everything to “boil” per say – and attempted to serve Dick Cheney legal documents in a court case (a Federal court case that was filed in an attempt to stop school shootings), then I explained (in email chains and YouTube videos) what I did – and who I watched for the “Tipoff.” I watched Dick Cheney.

7: 2 weeks after identifying Dick Cheney – he supposedly “Dies,” and is gone. But, I believe he did what the “World Elites” do – what their club of “Internationals” are allowed to do – he took flight – into the upper network of “Elite Hideaways.” The Antarctic Base – the Tibet (China) location, Saudi Arabia, Dubia, Qatar, and or India location...

Note: Which is the real reason so many foreigners are allowed so much power and anti-law – fake immigration status (in this country). Why Kash Patel is Head of the FBI, and Mamdani is Mayor of New York.
