ADDITIONAL AFFIDAVIT FOR: WITNESS TESTIMONY

I. Parties to the complaint:

Plaintiff:

Kelly Michael Velayas – United States of America Citizen –

Defendants:

The state of Texas

To Summon:

Texas – State Attorney General – Ken Paxton – 209 W 14th St, Austin, TX 78701

II. Body of Affidavit:

Additional list of witnesses to subpoena – for testimony – to prove the control over society – by the White Gang – the neo-Nazis, KKK, Aryan Brotherhood, Masons and Eastern Stars, and their followers...Also: My email that was sent to the Atlanta PD – 14 days before the latest school shooting.

Chris Lee – who is ex-Military – and I contracted for as an Independent Contractor – and whose supervisor in Indianapolis, Indiana – gave-out my phone number to people I didn't know – with the specific intention – for them to text me to harass me as I work. And who illegally spoke about mental health – in a professional setting – only to upset me...And when I got upset – and began to argue – Chris Lee told me I had to speak with him – on the phone – without transparency – only so he could threaten me. I told him, I wanted to speak to him through emails and texts – so there would be a record of our conversations – and his response was – that he didn't want a record of what he was going to say to me – and that was the reason I wanted a record of what would be communicated. It was at that time – he said – he would not communicate with me through text or email – and then fired me. He then kept all the money he owed me for the work I did for his company – approximately \$8,000 – and refused to pay me.

He said I should be embarrassed about telling people the truth – which demonstrates that he's embraced female qualities.

Joe Williams and wife **Camila Fernandez Hungaro** – will testify that they called me on the phone – and acted like it was a misdial – and they talked about a picture of my penis – and that they showed that picture of my penis to their (then) 14-year-old daughter – Marina – then during a visit with my son – Joe offered his then 14-year-old daughter to me – to have sex with her. I got very upset about this episode – but I was conducted my visits with him (Joe) to see my son – because of the Court Order – by Judge Hathcock. So, I did nothing – but then – after the Ad Litem filed a false police report – and claimed I went to her home – and I could no

longer see my son – I filed a police report – about Joe asking me to have sex with his daughter. Also, my ex-wife told me that Camila has sex with African Americans – but hides that fact – because she is ashamed of it. Now, I don't know why she is ashamed of this – unless she is racist. And these individuals are all here – in this country illegally – so I am afraid that they are prostituting themselves and their daughter – as favors – so they may stay in the country.

Ethan Graham – of College Station, Texas – member of the Church of Christ – will testify that his church harasses people – and orders others to harass people – especially homosexuals in church, and at work. This is part of their system – of creating hell – in society. I will also ask him about his time in college – and if he partook in a sorority – and about his knowledge – of project Artichoke – and the Puritan Church's aiding and abetting those that create school shooters.

Joe Taylor – inmate at Williamson County Jail – in early 2024 – who was charged with shooting 3 police officers – will testify that the head of the KKK in Williamson County Jail – Head psychiatrist Mr. Burrows negotiated a deal for him to have sex with a female healthcare worker at the jail – if he could get me raped. He then stole another inmate's possessions and attempted to frame me for the theft – in hopes that nobody would protect me – and that would be motivation for someone to rape me.

Additional notes on Richard Matthew Hightower

A Low-level Project Artichoke Operative – for the Masons & Eastern Stars

These are images of Rick Hightower – who spoke about the World Trade Center's collapse – on Sept. 11, 2001 – in a joking fashion – insinuating that the Masons and Aryan Brotherhood – did it – and framed it on a Third World Country – for an excuse to create a war – as a demonstration of the power – the Masons have over our society. He also insinuated that he know – understood – and was a Project Artichoke operative. He threatened me – but refused to fight me...

Note: I sent this email: 14 days before the school shooting in Atlanta – to warn them about what I thought would happen because I continue to exercise my rights, as an American citizen.

This action – is Domestic Terrorism – Special Forces Guerilla Warfare – against American citizens:

Subject: -- Crime Tip -- Masons Turning Children into School Shooters/mass murderers

The children will be white males -- mostly in Special Education classes.

How to identify -- the children -- that the Masons (AMA doctors - some white teachers - principles - and white Puritan churches - especially the Quakers) are developing/turning into school shooters/mass murderers.

Because the large black community in Atlanta, Georgie -- it is a hot spot - a possible target of the Masons - for a school/church shootings...

Typically, a target (marked) child - will be very poor in math - and appear to be - mentally disabled -- some would call him "Autistic" or "Dyslexic" but that doesn't explain him. He will have what the Masons and Eastern Stars call a, "ToeHold" in his mind - to make him susceptible to manipulation - suggestion...to make him easily influenced.

Give the child (or children in question) 2 (identical) multiple choice - Mathematics IQ tests.

The first time you test him - distract him - talk with him -- keep him guessing -- don't give him time to calculate each equation - but make him finish the entire test.

Note: The test should be more advanced than his current level of mathematics - meaning - he shouldn't be able to do the test.

If, he's in multiplication - give him a test with mostly questions in division.

Now, the 2nd time you give him the test - give him all the time in the world - and make sure he works-out each equation - consciously.

If the child had a powerful "ToeHold" placed in him, he will score higher - with the test that he consciously guessed at -- because his subconscious mind -- which has the majority of his intellect/faculty in it -- answered the questions...

Note: If the child has a white female (or male) teacher, she might be hiding the child, and she might refuse to place him in a special education class:

These children are marked and known by all teachers that were apart of a sorority in college. They are passed-on - from one to the other - each further developing the child for his objective.

Note: Many white children in the lower-classes have the Mason "ToeHold" placed in them -- which -- that abuse is historically known as "witchcraft" and is physical and psychological abuse of an infant - or young child. But few are developed to the highest level of abuse - to become an assassin/murderer.

As the child gets older:

Watch the progression of the child into teenager - the next step for the Masons and Eastern Stars, is to influence/manipulate the child to commit an act of sexual deviance, to create a guilty conscious. This is usually be a sex act with an animal.

At that point: whomever the teen in question is -- will be shunned by society - and become isolated. This is the stage (the time in the child's life) that the Masons and Puritan Churches use -- to create the hatred to kill. Because he will be mistreated by everyone.

Then...the next step: A Mason Assassin will enter the teen's life - and place him under project Artichoke - at which time he will develop the typical "Unilateral Dilation" of the eyes.

This is when the teenager becomes very dangerous - and he will then develop further -- usually with videos games that expose him to extreme violence.

The individual that places the child under project Artichoke most be identified. He will have many victims. He will most likely be a member of a church -- he will always be connected to members in the Military -- but, that doesn't mean he is military...
